S I R :

In the Notice of Allowability dated April 26, 2005, the Examiner states that a Substitute Declaration is required since the Declaration accompanying the application, when submitted, indicated a filing date of May 15, 1990 for Japanese Application No. 2-121133, to which priority is claimed, whereas the correct date is May 14, 1990.

The applicants advise that a corrected Declaration was submitted on April 19, 1999 in response to the Office Action of January 19, 1999 which pointed out that the filing date of the

Japanese application was incorrectly indicated in the original Declaration.

Submitted herewith is a copy of the postcard receipt indicating the filing of the Declaration on April 19, 1999 and a copy of the Declaration submitted on April 19, 1999.

Respectfully submitted,  
HIROSHI HASEGAWA, ET AL
